I should have mentioned in my previous email that Joe Patane and I are going to inspect the JV data room in Eindhoven at the beginning of Oct.). I am visiting my family in London and Holland at the end of September & Joe happens to be vacationing in France & Holland around the same time, so we thought it would be efficient to go Eindhoven & inventory the Philips docs while we're over there.

Hi Neil,

I have been in contact with counsel for Philips to set up our inspection of the JV Data Room in Eindhoven (see messages below). I am visiting my family in London and Holland at the end of September & Joe Patane of our office happens to be vacationing in France & Holland around the same time, so we thought it would be efficient to go Eindhoven & inventory the Philips docs while we're over there. Philips has confirmed that they will make the data room available to us the week of October 4 (see emails below). I apologize for not including you on my communications with Philips to date. I had mistakenly thought that Doug Millen was handling this for the direct plaintiffs. Let me know if you plan on sending someone for the direct plaintiffs so we can coordinate.

Best regards,

Lauren

p.s. Ethan Litwin is no longer with Howrey so we're dealing with Joe Ostoyich.

Joe:

I hope you enjoyed the long weekend. Have you had a chance to talk to your client regarding the questions we raised with you on our call last Friday?

- 1) What dates we can inspect the JV data room? We were planning on arriving in Holland the week of September 27, but you indicated during our call that the week beginning Oct. 4 would work better for your client. Can the week of Sept. 27 work, or is Oct 4 the only week that your client can accommodate us?
- 2) Can you give us an estimation of the volume of documents?
- 3) Where in Eindhoven is the JV data room located (e.g., North/South)? How far is it from Amsterdam?

We look forward to hearing from you. Thanks.

Lauren

Joe:

I'm just following up on my email below. Please give me a call at your earliest convenience. We are trying to plan our trip & book flights etc., so we would like to firm up the inspection of the JV Data Room as soon as possible.

I have copied Doug Millen on this email. He is handling this for the direct plaintiffs. If you can, please send us an email before you call so I can make sure Doug is available. Thanks.

Dear Joe:

Thank you for getting back to me so quickly. I was trying to contact Ethan regarding the "JV Data Room" that he refers to in the attached letter. My colleague and I are going to be in Northern Europe in late September on other matters and we're hoping to visit Eindhoven and inspect the documents in the data room while we're there. I have some questions that I'd like to discuss with you, such as the location of the data room, the logistics of the inspection, and the volume of documents/type of documents that are there. Please let me know when you are available to discuss and I will give you a call.

Thank you for your time.

Best regards,

Lauren
